

Information for poster presenters

Audience

When preparing your poster, please bear in mind that the audience at this conference is a mix between clinicians, researchers, industry and people with OI/parents of children with OI. Please try to explain complex terms and avoid (or explain) abbreviations, which non-professionals might not be familiar with.

Displaying your poster

Boards available from Friday morning, 09:00.

All posters to be in place by 10:30 on Friday 9 June and to remain up until 16:00 on Saturday 10 June.

Any posters remaining on boards after 17:00 on 10 June will be disposed of.

Please be ready to stand by your board during at least one of the coffee/lunch breaks so that other delegates can ask you about your work.

Poster preparation

Each presenter will be allocated one numbered board. The maximum size allowed for your poster is:

A0 – 84.1cm wide x 118.9cm high (**portrait** format)

This is the **maximum** size allowed for your poster

You must follow these directions – larger or landscape posters will not fit the boards!

Fixing materials for attaching your poster to the board will be available at the meeting.

Posters are usually more attractive when mounted onto a single background rather than being mounted on the board as several separate sheets.

The Organisers will provide the poster board numbers
